There's also lots to do at this time of year so, to make things a little easier for you, we've produced our Christmas and New Year brochure.

We've listed all your favourite Festive foods, from delicious Christmas pies filled with our homemade mincemeat to tasty turkey and all the trimmings. You can order in your local Stuart's store and, because Christmas & New Year just wouldn't be the same without Stuarts, we're looking forward to playing the same starring role this year as we've played for over 160 years. This process takes 10-14 days. All our bacon has no added water so it gives you that old fashioned taste. The bacon is available as 250g packs as Smoked and Unsmoked.
